

Texas Partners in Mission

Reaching the lost in Texas, one mission at a time.

Mission Focus

The Texas District of the Lutheran Church - Missouri Synod exists to strengthen congregations to reach the lost, disciple the saved and care for people locally and globally.

The Texas District supports 66 missions and agencies which represent over 90 ministries and 100 missionaries. These ministries share the precious Gospel with people from over 15 different language groups.

Texas Partners in Mission was created by the Texas District to focus on reaching the lost in Texas, one mission at a time, one partner at a time and one relationship at a time.

The opportunities to start new missions in the Texas District outpaces the regular support provided by the congregations in the Texas District. Texas Partners in Mission provides the support to fully fund these important missions.

"For God so loved the world that He gave His only begotten Son, so that whoever believes in Him, shall not perish but have eternal life." John 3:16
