

RESOURCES FOR LUTHERAN SCHOOL CHAPEL PROGRAMS Texas Partners in Mission

I am thankful for your partnership in sharing the story of Texas Partners in Mission with your students and their parents. To help you tell the story of mission outreach in the Texas District and Texas Partners in Mission, the following resources are included. If you wish any of the resources personalized with your school's name, contact Michael Fuchs. The resources are also available online at <http://www.txdistlcms.org/tpim/resources.html>.

Please use the SCHOOL CHAPEL RESOURCE ORDER FORM to request quantities of your resources.

1. **Full page flier...**this version is offered if you wish to duplicate this and post it throughout your building. If printed in black & white, students can be involved to add their own color treatments. I can also send you up to 25 color copies of this flier.
2. **Half page flier...**this is intended to be printed on two sides and sent home with students. If printed in black & white, students can again add their own color treatments. Offering envelopes could be attached to this flier.
3. **Offering envelopes...**we can provide school name personalized envelopes in quantity for your school.

Other documents are included to help you understand and tell the story of mission outreach in the Texas District and Texas Partners in Mission during your chapel time:

1. **Question & Answer Page...**This is a collection of the most asked questions.
2. **List of Missionaries...**feel free to call people who you would like to invite as a special guest speaker. If you need recommendations for speakers, please contact me directly.
3. **Living in Pentecost Times...** Comparison of the Acts 2 story of Pentecost and what is happening today in our Texas District.

If you have questions about these resources, or wish to edit the resources to include your school name, please contact:
